20 WHITE CRESCENT LANE, SIMPSONVILLE, SC 29681

**F**AIRYTALES DO COME TRUE, especially in this hidden gem of a European estate in the gated community of Kingsbridge in Five Forks. Idyllically set in a private cul-de-sac on nearly two acres along the banks of Peters Creek, this builder's personal custom home has raised a family and is now offered in the rarest of opportunities to change ownership for the first time. Whether you're intrigued by the elegant French Country architecture, charmed by the mix of rich textures and fine materials, or drawn in by the expansive space in which to house your burgeoning car collection, *Maison Claire de Lune* begs to be discovered and explored. With six bedrooms, six full and two half baths, three levels, four fireplaces, dining room, study, office, mudroom, craft room, bonus room, billiard room, fitness room/theatre, playroom, second living quarters with a full kitchen, secondary master and guest bedroom, multiple outdoor living spaces, 3-car upper garage and parking deck, plus room for storing or displaying at least 5 vehicles and/or a large boat in the lower garages, a sprawling lawn, meticulous landscaping, and even a waterfall...*House of Moonlight* on White Crescent Lane is where you can begin the rest of your story, and find your happy ending.
